NEGE-MAAL-TAFEL
 Ons het 'n plan om jou die nege-maal-tafel te help leer! Hou jou hande voor jou. Gestel jy wil weet wat is 9×2 – buig jou tweede vinger van links. Tel nou hoeveel vingers links van die gebuigde vinger is. Een! Tel nou hoeveel vingers regs van die gebuigde vinger is. Agt! Die korrekte antwoord is dus 1 en 8. Of 18! Toets dit nou met 9×3 en die res van die nege-maal-tafel.
