

Readers
Eight readers (two per term) with pronunciation and audio support and an interactive activity at the end.

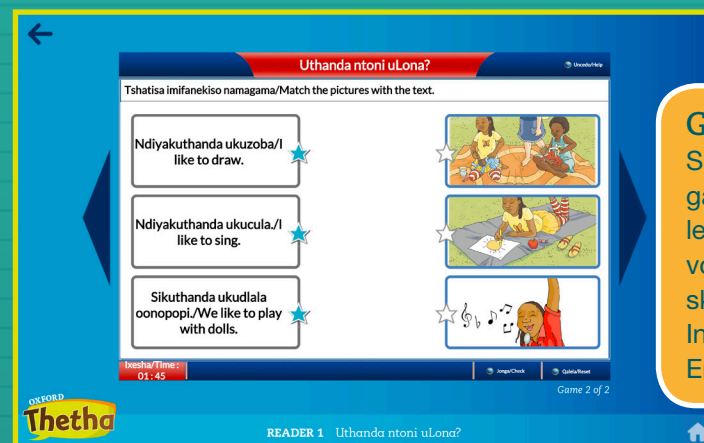

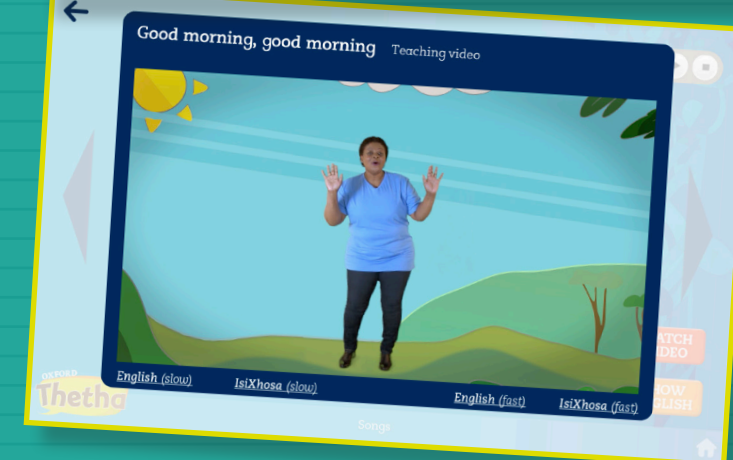

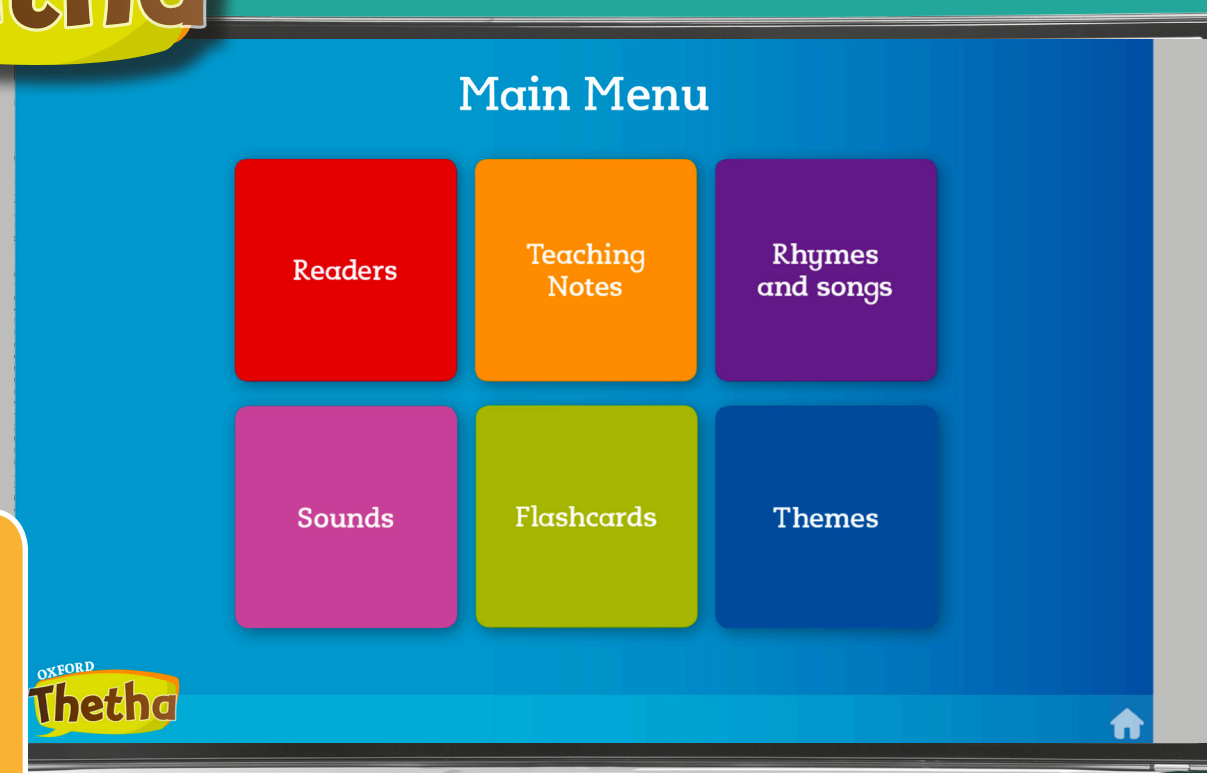

Teaching Notes
Teaching notes are written in English and provide an overview of teaching a second additional language, as well as detailed guidance and lesson plans for teaching each reader.

Rhymes and Songs
Videos provide classroom support for songs and rhymes and include karaoke-style visual prompts.

What is included on the Digital Classroom Resources USB?

Games
Simple interactive games will help your learners practise their vocabulary and recall skills for each reader. Instructions are in English and IsiXhosa.

Worksheets
Printable worksheets will help your learners consolidate their skills for each reader. Instructions are in English and IsiXhosa.

Flashcards
Flashcards with English and audio support include:
• Sounds
• Words
• Phrases (including greetings)
